

Love in Action Project

Let's show God's love to the people in Haiti!

Dear Parents,

We are so excited to have your child join us this week in Vacation Bible School. We are learning about God's love and how we can show love to others. We have partnered with the ministry, **Love Him Love Them**. This ministry, founded in NE Georgia, helps share God's love to people in Georgia, Haiti and the Ukraine. This week, children will be learning about missions in Haiti and have a chance to put what they are learning in action. Throughout the week, children can bring an offering that we will send to help God's work in Haiti, or they can also bring in donations listed below. We would love for you and your child to participate this week through giving and through prayer, as we learn to **Love Him and Love Them!**

Day 2, Flip Flopping Lives: Wear a pair of Flip Flops to VBS and go home without them. That's right! Kids will leave their flip flops at VBS to be sent to children in Haiti who have no shoes. They will go home barefooted like children in Haiti to remind them to pray for the children in Haiti (or they can bring a pair of shoes to wear home-parent preference).

Day 3, Saving Soap: Bring a bar of soap. As your child brings the soap, you can remind them how we need soap to keep our bodies clean, but Jesus is the only way to clean us from our sin. As they use soap this week, have them remember to pray for the people in Haiti to know Jesus.

Day 4, Tooth-tastic Gifts: Bring toothpaste or a toothbrush. As your child brushes his/her teeth this week, remind them to pray for the ministry as it continues to tell others about Jesus. As a family, talk about how you can tell others about Jesus.

Day 5, House Warming: Please choose from some of the needed items for the home the choir children will stay in while they are in the United States: Laundry Detergent, Dishwashing liquid, Clorox wipes, Paper Towels, and Toilet Paper. Pray for the choir as they travel to churches in America.

What's Next?: As a family, pray God will help you share His love with others. Decide on your next family project as you show His love to others. You might go to your neighbor or help a mission in your community. Whatever you do, do it for Jesus.

Thank you for helping your child as they learned to **Love Him and Love Them** this week!

God Bless,
Your VBS leaders and Love Him Love Them
